Measure, to the nearest inch, the **Longest Length** of the Pool: _____

Measure, to the nearest inch, the **Widest Width** of the Pool: _____

Indicate on the drawing your line of measurement for Length and Width. Show the location of any obstructions, areas of less than 3' concrete, wood deck or no deck. With the above information, our team of Loop-Loc designers can price your Cover, Options and Freight. Indicate the type(s) of Loop-Loc pool cover you would like to have a Quick Quote for:

Loop-Loc Mesh Safety Cover

Loop-Loc Ultra-Loc II Solid Safety Cover

The more information provided, the more accurate we can be in estimating the price. The final price cannot be determined until we receive your A-B measurements of the pool, and Loop-Loc accepts these measurements to be workable. Custom Covers cannot be returned, but can be re-worked, if needed, at an additional cost.
